

London Office: 20 Eastbourne Terrace, London, W2 6LG

By Tube or Rail to Paddington main line station or underground station:

Our offices, at 20 Eastbourne Terrace, are just around the corner from the entrance to Paddington station on Praed Street. Just head past the Hilton hotel on Praed Street and take the first right when you reach HSBC. It is the tallest building on Eastbourne Terrace, on the left-hand side, and there's a 2m high '20' on the pavement outside the building.

By Car:

If you are driving, head for the Paddington Station Public Car Park on nearby Bishops Bridge Road (A4206). From there it is a short walk down Eastbourne Terrace. For more details about the car park see:

<https://www.apcoa.co.uk/parking/london/london-paddington-station/>.

Lift Access:

We have hi-tech lifts. These must be operated from outside the lift using a staff pass programmed for the specific floor. So please ask the reception staff to call the lift for you, if you don't want to take the stairs to the first floor.
